Academic Year: 2018-19

Activity No.	01: One day Hands-on training workshop
Aim	One day Hands-on training workshop on "Arduino and its applications".
Date of the event	08/02/2019
Participants	Staff and UG students
Objectives:	<ul style="list-style-type: none"> ➤ To learn basic electronic concepts ➤ Understanding the constitution and capabilities of an Arduino board ➤ To the functions of its different parts of arduino ➤ Ability to program various electronic components.
Evidences of success:	Students learned to design and build projects using arduino. Students also learned programming of arduino id. Students designed projects such as Digital Notice board, water level indicator, Humidity indicator etc.
Context:	The electronic science subject has been introduced in science faculty as bridging gap between science, technology and engineering. One of the features of F.Y./S.Y./T.Y. electronic science syllabus is that it copes with present industrial needs of the technical and engineering supports. So our students can easily find jobs in electronic industries. The toughest challenge to our students is the unavailability of local Electronic Industries/Factories. They have to go far in metropolitan cities like Pune, Mumbai and Bangalore etc.
Report	In the academic year 2018-19 department of Electronic science organized Hands-on workshop on "Arduino and its applications for T.Y.B.Sc students". The workshop was organized in association with Energiant solution Jalgaon. Students learned constitution and capabilities of arduino board and different parts of arduino. Director Dr. Ulhas Sonawane, Mayur More, Rahul Salunke worked as trainer of the workshop. Students designed various projects in groups using Arduino Uno board. The workshop was Inaugurated by auspicious hands of Principal. Dr. S.C. Kulkarni HoD explained objectives of workshop.

1) INTRODUCTION

M.G.V'S M.S.G Arts, commerce and science college Malegaon Camp Department of Zoology organized Field visit as a part of Ph.D Course work curriculum Research for Scholars. The study visit as per the curriculum was an exposure visit to a place of educational visit a fieldtrip aims to provide an inquiry field experience for crop production technical training programs, crop demonstrations, and on farm trials, Apiculture, Vermiculture and goat farming and biodiversity of a natural environments. KVK Vadel is covering and handling 50 acres of field under the crop production technical training programs, crop demonstrations. Field visit is a journey by a group of people to a place away from their normal environment and lively we experience the nature.

Head of Department of Zoology Dr. S. D. Patil, Co-ordinator of Research centre Dr. A. K. Sonawane, Dr. R.S. Kale, Asst. Prof. G. K. Pawar, Dr. K. T. Patil sir and all the research scholars gathered at the department at 1.00 pm. All we start the journey towards KVK Vadel at 1.45pm, the distance is 15km.

We reached at our destiny i.e. KVK Vadel. Mr. Amit S Patil, Head KVK welcome us and he gave the introduction and overall working of KVK. Mr. Sunil Chaudhary who agro scientist and handling apiculture as well horticulture. He deliver a session on apiculture and also gave a demonstration about the handling honey comb hive frames. Then Mr Amit S Patil and Mr. Sunil Chaudhary took us to the vermicomposting plant, Goat farming and poultry house. All the research scholars satisfied by this field visit as got the chance observe many things.

1.1) Trademark/Logo:-

1.2) Aims and objective of KVK:-

To aid in the development of agriculture through the use of information technology, the primary goal of the Kisaan Helpline is to distribute and disseminate information gained through agricultural research, knowledge, and experiences throughout the agricultural world. Our sole aim is to gather all the information on one online platform, reach out to the farmers and make them empowered and aware.

30+ Crops through 15+ Agriculture Experts, Technologies, Crop Protection, Crop Nutrition, Fertilizers, Pest and Disease Management, New Agriculture Training, Krishi Digital Magazine (Agriculture Newspaper), Krishi Fairs (Agri Events), Agriculture News, Government Schemes, Market Rates (Mandi Bhay) Latest kind of knowledge, etc.

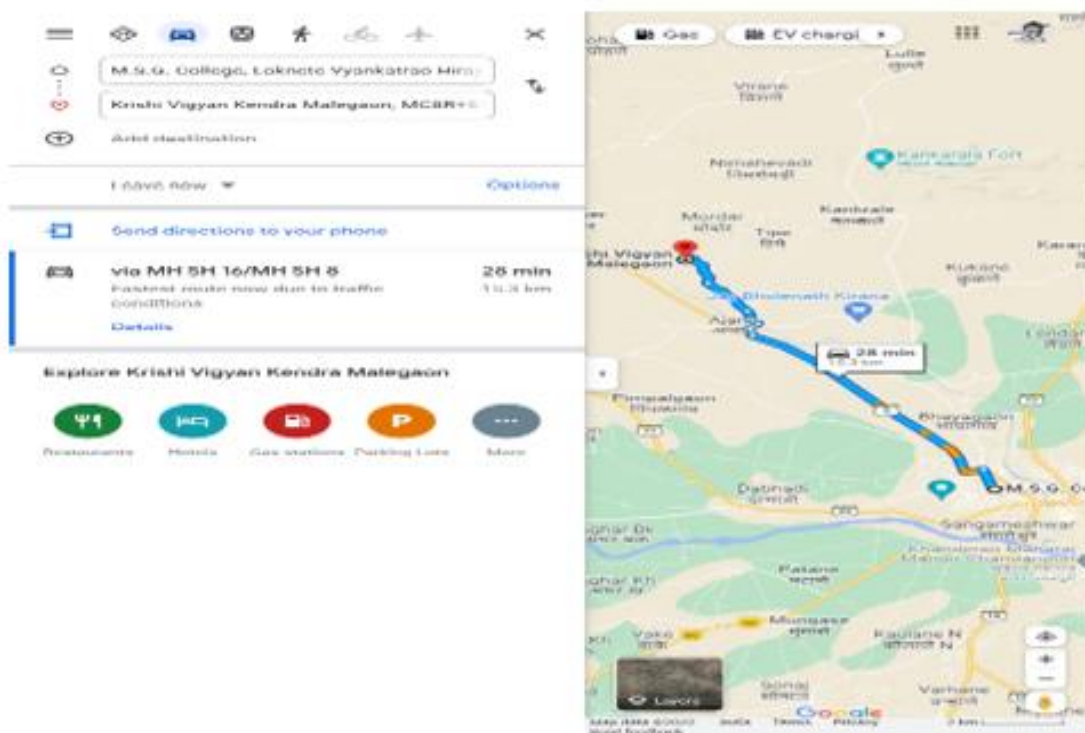

Research materials, soil testing, water testing, the latest types of farm equipment and machinery, weather forecasting, consulting, and many other services are included. By using this information our farmers will become a part of "Smart and Digital India". If you also want to become a "Smart Farmer" download and use Kisaan Helpline Mobile Application and get the best farmer services.

Smart Farming App Guide to Farmers for Smart Farming. Farmer's connectivity with internet (Digital Technology).

2) STUDY OF THE AREA:

Krishi Vigyan Kendra Vadgaon Malegaon is a district level Farm Science Centre established on June 2011 under the affiliation of Indian Council of Agricultural Research (ICAR), New Delhi at Richfield Agricultural e-research Development Centre Nashik District Nashik.

The operational area of this Krishi Vigyan Kendra is **50 Acre** up to the **7 tehsils** of Nashik district namely **Satana, Malegaon, Kalwan, Deola Yeola Nandgaon & Surgana**. The aim of Krishi Vigyan Kendra is to reduce the time lag between generation of technology at the research institutions and it's transfer to the farmer's field for increasing production, productivity and income from the agriculture and allied sectors on a sustained basis. In order to achieve this goal, four mandates have been envisaged in the design of the Krishi Vigyan Kendra.

3) **DEMONSTRATION UNIT ON KVK**

A. Crop Pattern: KVK works on seeds for two or three years for several generation to fix and avoid the trials and errors of experiments. In this study region from the total cropped

area, bajara and Jawar are major food grains and it occupies area about 25.32%, 30.95% respectively. Besides this 25.28% area under pulses. The cash crops like sugarcane and pomegranate fruits and vegetables are also cultivated there.

- B. Apiculture:-** Mr Amit S Patil and Mr. Sunil Chaudhary took us to the apiculture site where they demonstrate how to handle the comb hive. They gave us information about the life cycle of Honey bee with respect to their specie. They also tell us how they react nature phenomenon. Mr. Chaudhary Sir explain What pesticide effect on honey bee life cycle and what we do for this how could we try to safe honey bee by pesticide spray.

Vermicompost:- Krishi Vigyan Kendra Vadel having vermicompost unit with view for demonstration purpose for farmers, Rural youth. The name of species of earth worm *Eisenia fetida* was used for preparation of vermicompost unit. The size of vermicompost unit is 8 feet in length and 3 feet in breadth. The size of pit is 15 feet in length and 1 meter in breadth. Vermicompost contains water soluble nutrients and is an excellent nutrient rich organic fertilizer. All information taken by the Head of KVK Mr. Patil.

C. Goat farm Unit:- Krishi Vigyan Kendra has established goat unit during 2018-19 as demonstration purpose for farmers. Goat unit having four number of goats in which 46 female and 4 male of Usmanabadi breed. In our area most suitable breed of goat is Usmanabadi used for rearing purpose. Goats are blackish in colour. An average weight of male is 45-50 kg. The average weight of female is 35-40 kg. Twining percentage of female is more as compare to local breed of goat. So KVK has demonstrated the improved breed of Usmanabadi goat unit.

D. Poultry Farming:- Integrated Back yard poultry farming as a small scale income Generating activity Back yard poultry farming is a secondary income generating activity for the farm women, marginal and small farmers. Generally farmers are maintaining Deshi hens which give 60-70 eggs per year, adult weight of cock is only 1.5 to 2 kg. They are consuming eggs and cocks are sold for meat purpose. Deshi Birds are not vaccinated for

most deadly disease like Ranikhet and fowl pox hence there is outbreak of Ranikhet Disease and mortality is 90-100% in summer season.

Conclusion: -

Being the student of zoology and botany on field demonstration cleared all the doubt and query in our mind. Krishi Vigyan Kendra contributed positively in enhancing the adoption level of farmers in various aspects of agricultural production technologies. KVK practices created great awareness and motivated the other farmers to adopt appropriate production technologies. Indeed the efforts of the KVK seemed to have a positive effect in enhancing the farmers' technical knowledge on agricultural production technologies. Due to the interventions of KVK scientists in training, demonstrations activities, on farm trials and other extension activities helped in enhancing the enhancing the knowledge level of farmers which in turn led higher adoption of agricultural production technologies.

Sub: **Permission to visit your institute/clinic) for educational purpose.**

Respected sir,

Ours is an upcoming Postgraduate Department offering M.A. in Psychology, under the guidelines of Savitribai Phule Pune University, Pune. Department of Psychology offers specialization in Clinical Psychology at Post Graduate Level and the case studies are compulsory for all students.

The students of M.A. II Clinical Psychology are expected to conduct a visit, and prepare a report based on it. The students of our department are extremely keen on visiting your esteemed institution/ hospital/clinic.

We would be extremely obliged if we could obtain your kind permission for this visit.

The successful completion of this visit largely depends on your kind cooperation. We therefore sincerely hope for your help in this regards.

Thanking you,

Report of Visit to Surbhi Aluminum and Powder Coating (MOU)

Academic Year 2021-2022

The Department of Physics, M.S.G. Arts, Science and Commerce College, Malegaon Camp organized a visit to **Surbhi Aluminum and Powder Coating (MOU)** on July 5, 2022 at 1:30 PM.

For the visit, all the students of S. Y and T Y B.Sc. (Physics) were informed about the schedule and area of visit one day before. On the same day, visit started sharply at 1.30 PM. Under the guidance of Principal Dr D F Shirude and Dr A. S Garde (Head Department of Physics) the students along with teachers Dr. K.S. Thakre, Mr. C. R. Yewale, Mr. Pawan Surywanshi and Miss. Firdaus Ara reached the Surabhi Industry located at Soygaon, Satana road from the college at about 1.00 PM. where the head of Industry **Mr. Virendra R Deore** welcomed us. He introduced his staff and Worker including Account officer Miss Punam Yadav and also gave brief Introduction about the function of Industry to the Students.

After that, Shri Umesh Hire guided us to students by giving detailed information of all the Instruments such as Spray Gun, Grinder, Furness, High and low Quality material, Production quality, Marketing etc. He covered Quality of Material, Different colors of Spray powder, Coating Process, annealing of the material with different firing temperature, Cutting and finishing of the prepared Object, Various tools etc. After live demonstration was also done by the students.

At last, vote of thanks was delivered by the Mr. C R Yewale. The visit was successful & students got very beneficial knowledge about Placement and Research on Powder Coating which will be helpful for their future.

TRAINING AND PRACTICE

ACTIVITY REPORT UNDER MEMORANDUM OF UNDERSTANDING

Name of the Party: M/s.Surana Gruha Udyog, Malegaon

The M.O.U. was signed between The principal of M.S.G.College Malegaon Camp and

M/s.Surana Gruha Udyog, Malegaon

. This agreement was signed on 01-01-2019 . the period of M.o.U.is for Five year. Subject to the conditions mentioned in the actual Agreement of M.O.U. The purpose of this M.O.U. is to provide practical training about various types of Home made products in the field of household consumption of goods work. The opportunity was given by **M/s.Surana Gruha Udyog, Malegaon** The firm is engaging in Selling of different types of company/s products . During this period various types practical knowledge relating to marketing knowledge of the company was to be given to the students in the company for addition of practical knowledge in various types of marketing work such as, marketing and selling of goods

Every year students 02 to 05 students were selected from college for practical work like internship. After confirmation of students regarding practical work. They were actually send to the market of the firm. which is situated at Malegaon. Normally four hours practical training is given to the students engaged in practical work. By this activity the students were efficiently able to get actual practical knowledge . this M.O.U. is beneficial to the students for bright career opportunities in future.

VISIT AND LECTURE

Action Taken Report:1

Department of Zoology
Academic Year (2021-22)

As per the MoU Department of Zoology and H.H.S.S. Murlidhara Swami Agriculture College, Malegaon, we organised one day educational visit to H.H.S.S. Murlidhara Swami Agriculture College, Malegaon- Camp, Nashik on dated 12.02.2022. We reached Agriculture College at 12.00 pm.Total 52 students of UG & PG has actively participated. During visit Prof. G.S. Bansode & Prof. Satish Raut guided students about Vermiculture, Fisheries, Medicinal plants, & horticulture. Students gained knowledge of maintaining bee box & medicinal uses of honey. Beside this role of honey bees in pollination. Visit to apiary, students observed different species of honey bees. Students practically handled honey bees. After that we visited fish pond, where we found various fresh water fish species in the pond. Prof. Shailesh Ahire given details of how to maintained fishes in artificial condition, its food. They also explained local Market demand & productivity ratio of fishes. Fishery is additional income source for local farmers. Which reduce financial burden of farmers. Finally we were visited goat farm & collected information of different species of goats & it's Meat Productivity. Students asked some question regarding goat farm & clear their doubts. Some students observed some invertebrates from campus. Students enjoyed the visit by gaining sound knowledge. Dr. J. D. Vasait was appointed as Incharge of the visit. All students along with teachers took part in the visit. Dr.A.K.Sonawane Mr. G. K. Pawar, Dr. Kapil T Patil, Mr. Ziya Hussain participated in Educational visit.

- Hands-on training to students for handling bee box.
- Students learned fish culture management.
- Importance of Medicinal plants explained by the experts of and H.H.S.S. Murlidhara Swami Agriculture College.
- Students got aware of vermiculture, vermicompost and vermi-wash.

DEPT. OF ECONOMICS
MEMORANDUM OF UNDERSTANDING (MoU)
Annual Report – 2021-22

With the objective of enhancing the professional capacity of the students along with increasing the educational quality, from the academic year 2020-21, the Department of Economics, and 'Morgan Milk and Dairy Industry Pvt. Ltd.' Dhavleshwar Taluka-Malegaon, Nashik. Between MoU agreement has been signed.

On 06 January 2022, students and teachers of the Department of Economics visited Morgan Milk and Dairy Industry Pvt. Ltd., Dhavleshwar, Tal. Malegaon. The founder of Morgan Milk, Hon. Samadhandada Hiray explained the benefits of dairy business and the techniques of dairy business to the students. On this occasion, Hon'ble Hiray Saheb gave detailed answers to the questions related to dairy business asked by the students. All the students then visited various departments in the industry to understand how milk is processed. The event was attended by 34 students and the head of the economics department and two teachers.

On 19 April 2022, A seminar for postgraduate students was organized in the presence of Samadhandada Hiray (Founder of Morgan milk and dairy industry private limited). Hon. Samadhandada Hiray guided the students on how to do various agri-businesses through Startup India. The program was presided over by Dr. Dinesh Shirole, Principal of the College. 46 students participated in this seminar.

VISIT AND DEMO

Date: 15/12/2021

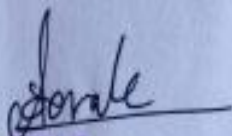

To,
Head,
Department of Chemistry,
M.S.G. College Malegaon Camp,
Malegaon. 423105

Sub :- Invitation for Industrial visit....

Respected Sir,

With reference to the subject mentioned above we are glad to invite you to visit our industry as has been mentioned in our MoU to have the reciprocity of the mutual concern regarding mutual benefit so as we have the thread of symbiosis. We wish you to visit our industry with your students and share your precious knowledge with us.

Thanking you in anticipation.

HEAD

MoU Report

Report-

MoU Report

Report-

The report is about the industrial visit at Dhanvi Polymer Dyane, under the MoU between the Industry and our college. After we had received the invitation letter from the Industry, we visited the industry 23 students and 07 teachers took part in the industrial visit.

Mr Prakash Yeola, CEO of the industry showed us the machinery and the processing of it. The process from raw material to final product was actually shown to us. Our students discussed with him about their queries. The visit was quite fruitful.

Dr. P. S. Pawar expressed the vote of thanks in the office of the manager.

A handwritten signature in blue ink, appearing to be "D. S. Pawar", written over the printed title "HEAD".

MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of Understanding is made on the 15th day of June 2021 and it is valid up to 14 June 2026 (5 Years)

BETWEEN

Luminescence Laboratory, Department of Physics, Rashtrasant Tukodoji Maharaj, Nagpur University (First Party)
AND

Principal & Head, Department of Physics, MGV's, Maharaja Sayajirao Gaikwad College, Malegaon Camp (Second Party)

BACKGROUND

- A. Each of the Party owns and operates facilities for the provision of
1. Laboratories use
 2. Students exchange for Research.
 3. Use and Exchange of Research activities.
 4. Collaborative Research Publication.
- B. The Party currently have an arrangement with each other with respect to the training, borrowing, and Awareness of Knowledge material that each Member Council works together with resource sharing, Knowledge sharing and maintenance of a shared resources.
- C. Each of the Party agrees that the MOU shall be collectively known as “**To Exchange of Research activities and Collaborative Research Publication**”.
- D. The Party desire to formalise their agreement and understanding in relation to the Network and have agreed to enter into this Memorandum of Understanding in this regard. However, the Party agree that this Memorandum shall not create any legal obligations and whilst recognising that there are no enforceable obligations between them the Party agree to perform their obligations pursuant to this Memorandum in good faith and to the best of their abilities.

AND THE PARTIES AGREE:

1.1 Interpretation

- 1.1.1 The Background set out above forms part of this Memorandum and the Party agree that the Background is true and accurate.
- 1.1.2 Unless the contrary intention appears:
 - 1.1.2.1 Words noting the singular shall include the plural and vice versa.

- 1.1.2.2 Reference to any gender shall include every other gender and words denoting individuals shall include corporations and vice versa.
- 1.1.2.3 Reference to any Act of Parliament, statute or regulation shall include any amendment currently enforce at the relevant time and any Act of Parliament, statute or regulation enacted or passed in substitution therefore.
- 1.1.2.4 Headings are for convenience of reference only and do not affect the interpretation or construction of this Memorandum.
- 1.1.2.5 A requirement in this Memorandum for liaison and consultation is a requirement for full and frank discussion and includes a requirement where necessary and appropriate, for full disclosure of relevant information and material.

2. **Term**

- 2.1 The term of this Memorandum shall be of five (5) years commencing on **15/06/2021** and expiring on the **14/06/2026**, unless otherwise agreed or extended by the Party in writing.
- 2.2 The term shall be reviewed by the Party not more than twelve (12) months and not less than six (6) months prior to the expiration of the term subject to the term being reviewed prior to this period.

3. **Negotiate In Good Faith**

The Party agree that they will cooperate with each other and at all times act in good faith and with the joint objective of successfully and expeditiously concluding and carrying out all of the arrangements and agreements contemplated in this Memorandum.

4. **The Party Obligations**

- E. The Party agree that each of them shall have the following obligations in respect of **"To Demonstrate and Hands-on training of Laboratory equipment"**.

F. **Second Party(Administer)**

On behalf of the Other Member Councils, the Second party agrees;

4.1.1 **Administration**

- 4.1.1.1 to administer the work in accordance with this Memorandum and the Operating Guidelines; and
- 4.1.1.2 to be accountable to the Other Party in a manner determined for the administration of the MOU and the facilitation of the MOU;

4.1.2 **Finances**

- 4.1.2.1 Network Costs and the Administration Cost is mandatory to administer (Second Party)
- 4.1.2.2 to prepare with the assistance from the Other Member Councils, in accordance with this Memorandum, the budgets for the Network; and
- 4.1.2.3 to meet all auditing requirements for all monies received and paid for in relation to the Network;

4.1.3 **Membership of the Committee**

4.1.3.1 the Chief Executive Officer or delegated officer is a Principal and the nominee to the Committee is a Concern Department Head;

4.1.3.2 to appoint a representative (Should be a Faculty of Concern Department) from each party;

4.2 **All Member Councils**

The Party agree:

4.2.1 **Reporting**

To consider reports and recommendations from its respective representatives on the Committee in relation to the administration of the MOU.

4.2.2 The Committee shall at its first meeting (and annually thereafter) appoint amongst the representatives a Chairperson who shall hold office for a term of one (1) year but is eligible for reappointment for a further term, unless he/she resigns in which case the Committee shall appoint a new Chairperson to chair the meetings.

4.2.3 In the event that the appointed Chairperson is absent from a Committee meeting the representatives present shall appoint an acting Chairperson, who shall preside over that meeting or until the Chairperson is present.

5. **Operational Guidelines**

5.1 Upon execution of this Memorandum, the Chief Executive Officer or delegate of each of the Party shall prepare and implement Operational Guidelines which the Chief Executive Officers or delegates shall be capable of amending from time to time as the Chief Executive Officers or delegates see fit.

5.2 Notwithstanding the provisions of this Memorandum, the Party agree that the Operational Guidelines shall be the operative document that facilitates the operational management of the MOU.

5.3 The Party shall delegate to their respective Chief Executive Officers such powers as are required and necessary to prepare and amend the Operational Guidelines and to manage the network in accordance with the Operational Guidelines.

5.4 The Parties agree to negotiate and cooperate with each other at all times and to act in good faith in the operation of the Operational Guidelines and to comply with its terms.

The Parties agree that the terms and conditions of this Memorandum may be varied upon written agreement of the proposed variation by all the Member Councils.

6. **Liability**

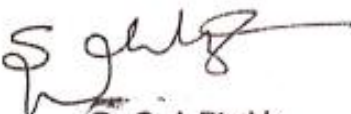

6.1 The **Second Party** shall indemnify and keep indemnified the other Party against all actions, costs, claims, damages, charges in respect of injury, loss or damage resulting from any negligent act or omission of The **First Party Council**;

7. **Acknowledgement**

The Party acknowledge and agree that each of the Party may in its own right engage the other Member Council staff for their services; however any agreed

costs incurred by the Council in doing so shall be borne solely by the respective Party.

EXECUTED as a Memorandum of Understanding

Dept. of Electronic Science

Industrial Visit Report under Linkages A.Y.2021-22

An Industrial visit to "Logixonn Institute.", Malegaon (Dist-Nashik) was organized by the Department of Electronic Science on Friday 1st April 2022. In our department 14 students from T.Y.B.Sc class and 3 faculties visited to "Logixonn Institute", Malegaon. The main purpose of this industrial visit was to know the scope of subject and practical application of electronics in an automation based industrial field.

In the morning 11.00 a.m. we visited to "Logixonn Institute", Malegaon (Nashik). The first introductory session was conducted by Director Mr. Bhavesh Ahire. He gave the basic information about Programmable logic Controller (PLC). He gave important information about PLC SCADA, automation, different types of industrial purpose devices, sensors and programming rules required for ladder diagram and etc. He also provides the information about machinery used in industries 4.0. In this industrial visit students got satisfaction and also got knowledge about job opportunities after completion of training of PLC.

Department of English

Linkage with Public Library, Malegaon camp.

Work Report

The Department of English of the college organized a linkage work at the Public Library of Malegaon camp on 06.03.2000 during 11.00 a. m. to 12.15 p.m. The Head of the Department, Dr. Wankhede P. T. delivered a session on "Language Skills and Comprehension" for the students studying in the library for appearing for Competitive Examinations. The Secretary of the Library Dr. Vinod Gorwadkar and the librarian organized this orientation programme.

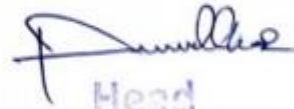

In his lecture, Dr. Wankhede P. T. stated the purpose of the orientation of the students regarding English by posing its significance in competitive exams, computer systems, the corporate world and general communication. In this regard, he referred to the four skills of English language- listening, reading, speaking and writing. He cited English Dictionaries, Thesaurus, encyclopedia as fundamental resources for studying words along their meanings in multiple contexts. Dr. Wankhede emphasized reading English Newspaper, listening English News bulletins and Interviews. He referred to the various writing systems such as Letter, Application, Notice, Agenda and Minutes.

The twenty-five graduates from different faculties who had appeared for the competitive exams, actively attended this orientation session. The Librarian proposed vote of thanks.

MoU Collaboration Activity Programme Report

The Department of Electronic Science of M. S. G Arts, Science and Commerce College, Malegaon, Dist-Nashik organized one day Hands on training on Arduino, AVR and Raspberry Pi on 12th Dec 2021 from 10 am to 5 pm. The hand on training was given **Future Chip Technology, Pune**. The Directors Mr Deepak Kumbhar and Mr. Ramakant Bhujbal and trainer Mr.Shah. had given hands on training to all faculty members of the department.

The training session was started at 10.00 a.m. on the topic of Arduino and their circuit board and Rasbery pi board. This topic introduced by Mr. Ramakant Bhujbal. He had given valuable information on Arduino board and its programming. After 12.00 p.m the next session was taken by Mr Deepak Kumbhar on AVR microcontroller. He gave the training on AVR studio software and to program AVR kits.

In the afternoon 2.00 p.m- 3.00 p.m there was a lunch break. After lunch break Mr Deepak Kumbhar and Mr. Ramakant Bhujbal had given practical information on communication practical circuit boards. These practical circuit boards include phase shift oscillator, push-pull amplifier, modulation and demodulation, etc. The training programme was successfully completed and ended at 5.30 p.m. All the faculty members of department were present for the demonstrations of practicals as per new syllabus.

Report on Event

Date-08/10/2021

The most prestigious camp for a cadet in the NCC is RDC (REPUBLIC DAY CAMP). In reality, simply competing at the national level gives you authority & confidence. The cadets are chosen through a difficult selection process. The camp's cadets take part in a variety of events, including cultural competitions, the National Integration Awareness Program, and institutional training competitions. Numerous dignitaries, including the Vice President of India, the Chief Minister of Delhi, the Chiefs of the Army, Navy, and Air Force, as well as Raksha Mantri and Raksha Rajya Mantri, pay a visit to the camp. The Republic Day Camp's objectives are to strengthen the cadets' sense of self, developed deeper into their moral convictions, and expose them to the vibrant culture and customs of our country. The NCC cadets' ability to project their values and skills is essential. The camp represents "Mini India" in reflection. The selection process for RDC begins in August, and occasionally even earlier, and proceeds in stages. The RDC selection process is really difficult. Additionally, it differs from one directorate to the next or is determined by the contingent commander in charge of the RD camp (a colonel rank). First, a date is chosen for the selection to take place, and information is sent to all battalions, then to all schools and institutions. (Typically, it begins in mid-September or at the beginning of October.)

ANO of T.R.High School and Junior College, Dabhadi S/O Smith Wagh was guided the cadets and discuss various questions on RDC of cadets. For this programme Captain R.A Pawar, Lt.B.B.Waghmare and all the SD and SW cadets were present.

The study visit as per the curriculum was an exposure visit to a place of educational visit a fieldtrip aims to provide an inquiry field experience for crop production technical training programs, crop demonstrations, and on farm trials, Apiculture, Vermiculture and goat farming and biodiversity of a natural environments. KVK Vadel is covering and handling 50 acres of field under the crop production technical training programs, crop demonstrations. Field visit is a journey by a group of people to a place away from their normal environment and lively we experience the nature.

Head of Department of Zoology Dr. S. D. Patil , Co-ordinator of Research centre

Dr. A. K. Sonawane, Dr. R.S. Kale, Asst. Prof. G. K. Pawar, Dr. K. T. Patil sir

and all the research scholars gathered at the department at 1.00 pm. All we start the

journey towards KVK Vadel at 1.45pm, the distance is 15km.

We reached at our destiny i.e KVK Vadel. Mr Amit S Patil, Head KVK welcome us and he gave the introduction and overall working of KVK. Mr. Sunil Chaudhary who agro scientist and handling apiculture as well horticulture. He conducts a session on apiculture and also gave a demonstration about the handling honey comb hive frames. Then Mr Amit S Patil and Mr. Sunil Chaudhary took us to the vermicomposting plant, Goat farming and poultry house. All the research scholars satisfied by this field visit as got the chance observe many things.

Research materials, soil testing, water testing, the latest types of farm equipment and machinery, weather forecasting, consulting, and many other services are included. By using this information our farmers will become a part of "Smart and Digital India". If you also want to become a "Smart Farmer" download and use **Kisaan Helpline Mobile Application** and get the best farmer services

Smart Farming App Guide to Farmers for Smart Farming. Farmer's connectivity with internet (Digital Technology).

DEMONSTRATION UNIT ON KVK

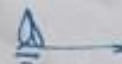

Amit S Patil *CVK*

Crop Pattern: KVK works on seeds for two or three years for several generation to fix and avoid the trials and errors of experiments. In this study region from the total cropped area, bajara and Jawar are major food grains and it occupies area about 25.32%, 30.95% respectively. Besides this 25.28% area under pulses. The cash crops like sugarcane and pomegranate fruits and vegetables are also cultivated there.

Apiculture:- Mr Amit S Patil and Mr. Sunil Chaudhary took us to the apiculture site where they demonstrate how to handle the comb hive. They gave us information about the life cycle of Honey bee with respect to their specie. They also tell us how they react nature phenomenon. Mr. Chaudhary Sir explain What pesticide effect on honey bee life cycle and what we do for this how could we try to safe honey bee by pesticide spray.

Mr. Vijay Shinde from KVK invited to guide students about vermiculture, its impotence at crop yielding, marketing of the compost. KVK also supplied earthworms to M. S. G. College, Vermicomposting unit.

1) INTRODUCTION

M.G.V'S M.S.G Arts, commerce and science college Malegaon Camp Department of Zoology organized Field visit as a part of Ph.D Course work curriculum Research for Scholars. The study visit as per the curriculum was an exposure visit to a place of educational visit a fieldtrip aims to provide an inquiry field experience for crop production technical training programs, crop demonstrations, and on farm trials, Apiculture, Vermiculture and goat farming and biodiversity of a natural environments. KVK Vadel is covering and handling 50 acres of field under the crop production technical training programs, crop demonstrations. Field visit is a journey by a group of people to a place away from their normal environment and lively we experience the nature.

Head of Department of Zoology Dr. S. D. Patil , Co-ordinator of Research centre Dr. A. K. Sonawane, Dr. R.S. Kale, Asst. Prof. G. K. Pawar, Dr. K. T. Patil sir and all the research scholars gathered at the department at 1.00 pm. All we start the journey towards KVK Vadel at 1.45pm, the distance is 15km.

We reached at our destiny i.e KVK Vadel. Mr Amit S Patil, Head KVK welcome us and he gave the introduction and overall working of KVK. Mr. Sunil Chaudhary who agro scientist and handling apiculture as well horticulture. He deliver a session on apiculture and also gave a demonstration about the handling honey comb hive frames. Then Mr Amit S Patil and Mr. Sunil Chaudhary took us to the vermicomposting plant, Goat farming and poultry house. All the research scholars satisfied by this field visit as got the chance observe many things.

1.1) Trademark/Logo:-

1.2) Aims and objective of KVK:-

To aid in the development of agriculture through the use of information technology, the primary goal of the Kisaan Helpline is to distribute and disseminate information gained through agricultural research, knowledge, and experiences throughout the agricultural world. Our sole aim is to gather all the information on one online platform, reach out to the farmers and make them empowered and aware.

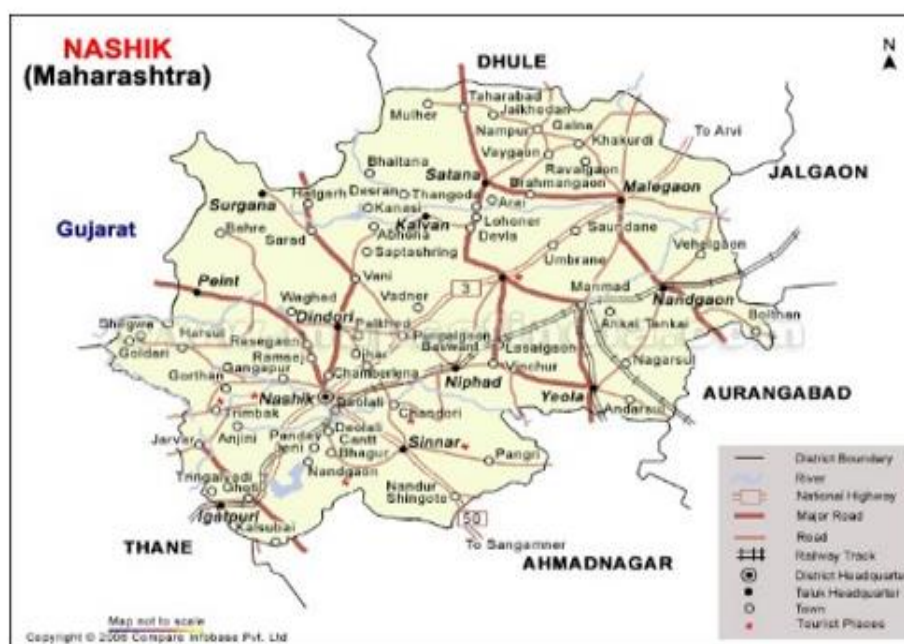

30+ Crops through 15+ Agriculture Experts, Technologies, Crop Protection, Crop Nutrition, Fertilizers, Pest and Disease Management, New Agriculture Training, Krishi Digital Magazine (Agriculture Newspaper), Krishi Fairs (Agri Events), Agriculture News, Government Schemes, Market Rates (Mandi Bhav) Latest kind of knowledge, etc.

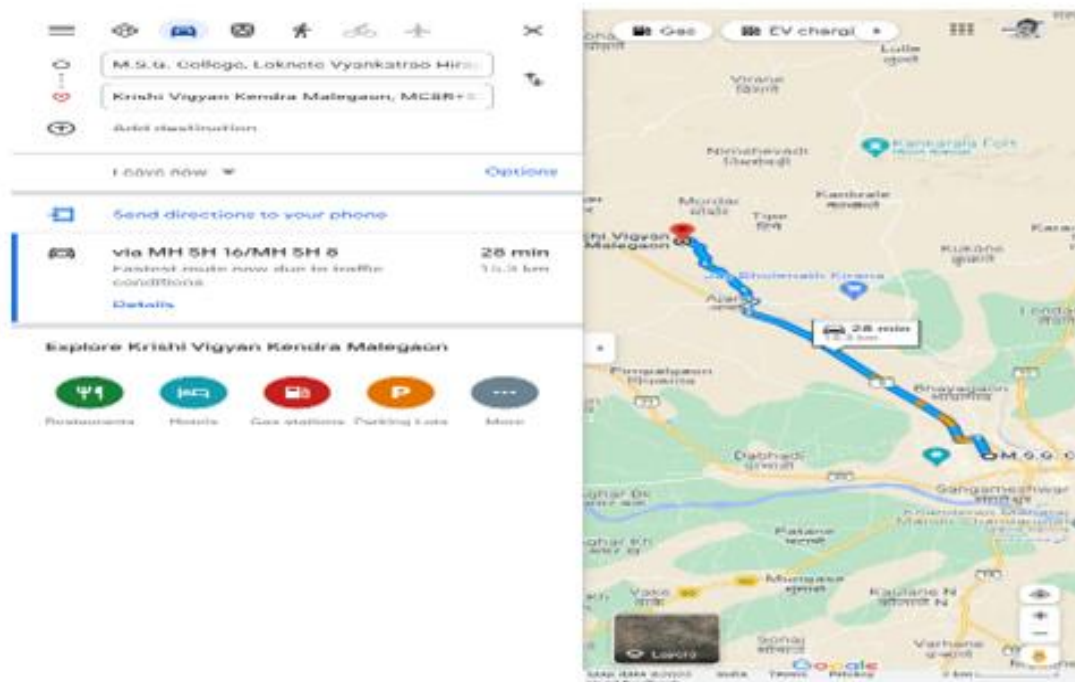

Research materials, soil testing, water testing, the latest types of farm equipment and machinery, weather forecasting, consulting, and many other services are included. By using this information our farmers will become a part of "Smart and Digital India". If you also want to become a "Smart Farmer" download and use **Kisaan Helpline Mobile Application** and get the best farmer services.

Smart Farming App Guide to Farmers for Smart Farming. Farmer's connectivity with internet (Digital Technology).

2) **STUDY OF THE AREA:**

Krishi Vigyan Kendra Vadel, Malegaon is a district level Farm Science Centre established on June 2011 under the affiliation of Indian Council of Agricultural Research (ICAR), New Delhi at Richfield Agricultural e-research Development Centre Nashik District Nashik.

The operational area of this Krishi Vigyan Kendra is 50 Acre up to the 7 tehsils of Nashik district namely Satana, Malegaon, Kalwan, Deola Yeola Nandgaon & Surgana. The aim of Krishi Vigyan Kendra is to reduce the time lag between generation of technology at the research institutions and it's transfer to the farmer's field for increasing production, productivity and income from the agriculture and allied sectors on a sustained basis. In order to achieve this goal, four mandates have been envisaged in the design of the Krishi Vigyan Kendra.

3) DEMONSTRATION UNIT ON KVK

A. Crop Pattern: KVK works on seeds for two or three years for several generation to fix and avoid the trials and errors of experiments. In this study region from the total cropped

area, bajara and Jawar are major food grains and it occupies area about 25.32%, 30.95% respectively. Besides this 25.28% area under pulses. The cash crops like sugarcane and pomegranate fruits and vegetables are also cultivated there.

- B. Apiculture:-** Mr Amit S Patil and Mr. Sunil Chaudhary took us to the apiculture site where they demonstrate how to handle the comb hive. They gave us information about the life cycle of Honey bee with respect to their specie. They also tell us how they react nature phenomenon. Mr. Chaudhary Sir explain What pesticide effect on honey bee life cycle and what we do for this how could we try to safe honey bee by pesticide spray.

Vermicompost:- Krishi Vigyan Kendra Vadel having vermicompost unit with view for demonstration purpose for farmers, Rural youth. The name of species of earth worm *Eisenia fetida* was used for preparation of vermicompost unit. The size of vermicompost unit is 8 feet in length and 3 feet in breadth. The size of pit is 15 feet in length and 1 meter in breadth. Vermicompost contains water soluble nutrients and is an excellent nutrient rich organic fertilizer. All information taken by the Head of KVK Mr. Patil.

C. Goat farm Unit:- Krishi Vigyan Kendra has established goat unit during 2018-19 as demonstration purpose for farmers. Goat unit having four number of goats in which 46 female and 4 male of Usmanabadi breed. In our area most suitable breed of goat is Usmanabadi used for rearing purpose. Goats are blackish in colour. An average weight of male is 45-50 kg. The average weight of female is 35-40 kg. Twining percentage of female is more as compare to local breed of goat. So KVK has demonstrated the improved breed of Usmanabadi goat unit.

D. Poultry Farming:- Integrated Back yard poultry farming as a small scale income Generating activity Back yard poultry farming is a secondary income generating activity for the farm women, marginal and small farmers. Generally farmers are maintaining Deshi hens which give 60-70 eggs per year, adult weight of cock is only 1.5 to 2 kg. They are consuming eggs and cocks are sold for meat purpose. Deshi Birds are not vaccinated for

most deadly disease like Ranikhet and fowl pox hence there is outbreak of Ranikhet Disease and mortality is 90-100% in summer season.

Conclusion: -

Being the student of zoology and botany on field demonstration cleared all the doubt and query in our mind. Krishi Vigyan Kendra contributed positively in enhancing the adoption level of farmers in various aspects of agricultural production technologies. KVK practices created great awareness and motivated the other farmers to adopt appropriate production technologies. Indeed the efforts of the KVK seemed to have a positive effect in enhancing the farmers' technical knowledge on agricultural production technologies. Due to the interventions of KVK scientists in training, demonstrations activities, on farm trials and other extension activities helped in enhancing the enhancing the knowledge level of farmers which in turn led higher adoption of agricultural production technologies.

ONLINE QUIZ

Mahatma Gandhi Vidyamandir's
**M. S. G. Arts, Science and Commerce College,
Malegaon Camp**

Department of Computer Science

Activity done under linkages

During academic year 2021-2022, department organized "Online Quiz on Co-Curricular Topics" for the students of J. A. T. College and M. S. G. College on 16th March 2022.

In this activity, total 311 students participated from both the colleges as a part of linkage between the computer science departments.

As a part of activity, eCertificate was provided after the completion of quiz.

College	Class	No. of Participated Students

VISIT AND LECTURE

MGV's
M.S. G. Arts, Science & Commerce College, Malegaon – Camp
Dept. of Statistics
Collaborative Activity Report under MoU

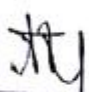

Date : 16/02/2022

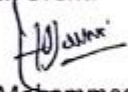

The dept. of statistics is always very keen in developing competitive skill among the students by organizing Statistics Quiz. To test students skill in such area the dept. of statistics organized "Online Statistics Quiz for FYBSC" in collaboration with JAT Senior College(For Women, Minority institution) Malegaon under MoU(2021 – 22) on 16/02/2022.

In this online quiz total 104 students were participated from different Colleges of Malegaon, where the subject is taught. The quiz was without any entry fees. The toppers were honored with a cash prize of Rs 100/- and certificate as announced by the dept. of Statistics. The quiz was based on 30 MCQ's each carrying 60 marks with one hour duration. In organizing such student centric activity we are always backed up by our beloved principal Dr. D. F. Shirude .The table below shows the status of participated students and toppers at the respective centers

Sr. No.	Name of College/ Department	Number of Participants	Name of the Topper with marks
1.	MSG Arts Science & Commerce College, Malegaon (Dept. of Statistics)	27	Deore Mohit (46 Marks)
2.	MSG Arts Science & Commerce College, Malegaon (Dept. of Computer Science)	44	Hiray Diksha Shivaji (42 Marks)
3.	JAT, Arts, Science & Commerce College (for Women) Malegaon- Dept. of Computer Sci.	17	Faiza Sadaf Iftekhar Ah (38 Marks)
4.	Mahila Ratna Smt. Pushpatai Hiray Arts, Science & Commerce Women's College, Malegaon (Dept. of Statistics)	16	Harshada Subhash Ahirrao (32 Marks)

As a coordinator of this quiz I am thankful to Prof. D. S. Attarde, Prof. Deore Dipak, Prof. Faizi Razeed and Miss Hiray Manasi for their valuable contribution in organizing such event.

Subject: Regarding Academic and Research Linkage

Respected Sir,

We have seen the leaflet sent by Common Instrumentation Centre (CIC), Department of Chemistry, Yeshwant Mahavidyalaya, Nanded indicating the sophisticated instrumentation available at your esteemed research centre and the facilities that you offer at a very concession cost to promote research in basic and applied science.

Our institution agrees to explore, utilize and analyse the sample related to advance studied in nonmaterial's and computational chemistry using sophisticated instruments like, GC-MS, HPLC, UV-spectrophotometer, IR-spectrophotometer, Atomic absorption spectrophotometer and TGA.

It is understood that the details of joint activities / conditions for utilization of results achieved, arrangements for specific visits, exchange and all other forms co-operation will be handled on mutually agreeable terms for each specific case. Thank You very much in anticipation.

Subject: Invitation for attending instrumental handling programme exclusively for UG & PG
Chemistry students.

Respected Sir,

With reference to the above cited subject as per linkage between both institutes, our Common Instrumentation Centre, Department of Chemistry plan to organize instrumental handling workshop to increase the knowledge and awareness of handling sophisticated instruments like UV, FT-IR, GC-MS, AS, DTG, RF etc. for UG & PG students in online mode on 30th December 2021.

I request you, to participation of UG & PG Chemistry students of your college in this training programme. As we know that knowledge of instruments handling is most important for getting jobs in different industries and reputed research institutes. Keeping this view in mind we have arrange this programme to enhance the research skill development in UG & PG chemistry students on both the campuses.

Thanking You....

Report on
Visit to Atal Tinkering Lab

Educational visit to "Atal Tinkering Laboratory at R. B. H Kanya Vidyalaya & Jr. College, Malegaon Camp, Malegaon (Dist-Nashik) Maharashtra was organized by the Department of Electronic Science, M.S.G.College Malegaon on Tuesday, 29th November 2022. In our department, 25 students and 3 faculty members visited to "Atal Tinkering Lab" of R. B. H Kanya Vidyalaya & Jr. College, Malegaon at 2 p.m. The main purpose of this educational visit was to learn innovation skills, sculpt ideas through hands-on activities learn in a friendly environment. The "Atal Tinkering Lab." have been designed in such way that the students motivated for innovative projects or model using available tools and infrastructure provided by this lab.

The first introductory session was conducted by the science teacher Mr. K. S. Bagul. He enlightens on purpose of "Atal Tinkering Lab." and how school level students were get benefited. In this educational visit we saw many science project models and tools used in laboratory. The various types of science project models and special equipment are as follows.

1. 3D Printer
2. Salt power toy
3. Arduino boards: Uno, Nano
4. Raspbery Pi (small computer) kit
5. Quadcopter drone.

It was an informative, interesting and a successful visit. All the UG students of Electronic science get inspired and enjoyed session.

ATL Dashboard Training For ATL In-Charge and Advisory Members

All the members of Electronic Science Department were attended ATL Dashboard training organized by the Institute on 9th March 2022 from 11 am to 4 pm at Panchavati college of Management and Computer Science auditorium. Prin. C. G. Dighavkar was the Co-ordinator for the training. Hon. Shirsath sir, Dalvi sir, Shardul sir guided and trained the ATL In-charge about updating of dashboard and related activities for the secondary school students.

All the Advisory members of the department visited to their assigned secondary schools and guided In-charge as well as students.

Visit to R. B. H Kanya Vidyalaya Atal Tinkering Lab

Educational visit to “Atal Tinkering Laboratory at R. B. H Kanya Vidyalaya & Jr. College, Malegaon Camp, Malegaon (Dist-Nashik) Maharashtra was organized by the Department of Electronic Science, M.S.G.College Malegaon on Tuesday, 29th November 2022. In our department, 25 students and 3 faculty members visited to “Atal Tinkering Lab” of R. B. H Kanya Vidyalaya & Jr. College, Malegaon at 2 p.m. The main purpose of this educational visit was to learn innovation skills, sculpt ideas through hands-on activities learn in a friendly environment. The “Atal Tinkering Lab.” have been designed in such way that the students motivated for innovative projects or model using available tools and infrastructure provided by this lab.

The first introductory session was conducted by the science teacher Mr. K. S. Bagul. He enlightens on purpose of “Atal Tinkering Lab.” and how school level students were get benefited. In this educational visit we saw many science project models and tools used in laboratory. The various types of science project models and special equipment are as follows.

1. 3D Printer
2. Salt power toy
3. Arduino boards: Uno, Nano
4. Raspberry Pi (small computer) kit
5. Quadcopter drone.

It was an informative, interesting and a successful visit. All the UG students of Electronic science get inspired and enjoyed session.

REPORT OF ACTIVITY UNDER MOU

Report:

Guest Lecture Organized at Royal College of Pharmaceutical and Research

Under MoU signed by the Department of English, M.S.G Arts, Science & Commerce College , Malegaon Camp, and Royal College of Pharmaceutical and Research the Guest lecture was arranged by the Second Party i.e. Royal College of Pharmaceutical and Research on the topic, *Linguistic as a Tool to Understand Pharmaceutical Theories Effectively*. Dr. R. V. Tribhuvan on 4th Oct, 2022 and for the Second lecture, Dr. C. R. Patil on 18th Oct, 2022 were invited as the guest lecturers. The significance of English Language was emphasized by both the lecturers in their lecture for understanding the study of other subjects. English language is a tool that makes study of other subjects effective and interesting. Dr. R. V. Tribhuvan and Dr. C. R. Patil motivated the students to learn the language as a language and not mere as a subject.

Students seeking degree understood the importance of language. They shared their language learning experiences and also discussed their problems with the experts. The HOD and the Principal of Royal college expressed their gratitude towards the guests.

VISIT, LECTURE

Action Taken Report

**Maharaja Sayajirao Gaikwad Arts, Science & Commerce College,
Malegaon-Camp, Dist. Nashik. 423205**

As per the MoU, Department of Zoology, M. S. G. College and *Paul Herbert Centre for DNA Barcoding & Diversity Studies*, Dr. Babasaheb Ambedkar Marathwada University Aurangabad, study tour for the M.Sc. and final year B. Sc. Students organized on 8th April 2023. Total student **participants** were 71 & 7 teachers.

Prof. G. D. Khedkar and the staff of the barcoding Centre batches wise demonstrated each & every step. A detailed demonstration Techniques that were demonstrated including sample collection, storage & preservation, PCR. Electrophoresis, interpretation of the result etc. in detail. Students asked many questions and got satisfactory answers. Students also visited to museum of Zoology department, Siddarth Zoo.

Prof. G. D. Khedkar, Director, *Paul Herbert Centre for DNA Barcoding & Diversity Studies*, Dr. Babasaheb Ambedkar Marathwada University Aurangabad invited to M. S. G. College as a Resource Person to deliver lecture on DNA Barcoding to Ph. D. Course work students. He also explained the importance & current scenario of DNA Barcoding. He visited to the zoology laboratory and given important suggestions research students to handle blood analyzer, cryostat microtome, tissue processor & electrophoresis.

Also a visit to the Ellora Caves given by the students. The ancient artwork, the Hindu, the Buddhist, and the Jain Caves and Monuments were the eye catching part for the students. The extremely minute artwork on the rocks mesmerised them.

We also visited the historic place Bibi ka Maqbara, Aurangabad. Bibi Ka Maqbara is the "principal monument" of Aurangabad and its historic city. Visiting this place were the rebirth of the beautiful stories about this historical place for the students. Students enjoyed visiting the place, the history of our india, such monuments are the mesmerising part for them.

Total = 71 Students visited

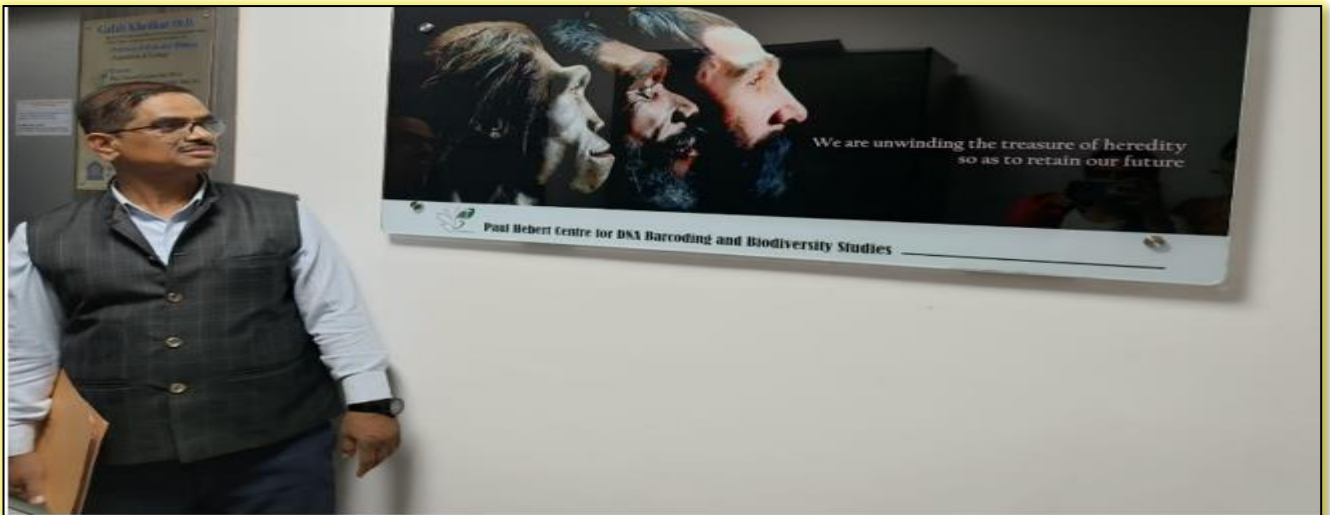

No. of Teachers = 07 (Seven)

ACTIVITY No.	02: Hands-on training
Aim:	Two Days Intercollegiate workshop on "Programming Raspberry Pi"
Date of the event:	18 March to 19 March 2023
Participants:	UG Students of Electronic and computer science (students:250 & staff:07)
Objectives:	The main objective of this workshop is to demonstrate the aspiring Engineers acquaint with the conceptual as well as basic practical knowledge of the amazing world of Internet of Things (IoT) and its fascinating applications. In this workshop students will understand how Raspberry Pi can be used in hardware and software to interact with a web service on the Internet. This workshop prepares students to work with Raspberry Pi development platform to develop the Innovative Projects in the field of Internet of Things (IoT).
Evidences of success:	<ul style="list-style-type: none"> ➤ Student learned the basics of IoT and its applications ➤ Students learned Setup IoT connectivity using a remote desktop
Context:	The electronic science subject has been introduced in science faculty as bridging gap between science, technology and engineering. One of the features of F.Y./S.Y./T.Y. electronic science syllabus is that it copes with present industrial needs of the technical and engineering supports. So our students can easily find jobs in electronic industries. The toughest challenge to our students is the unavailability of local Electronic Industries/Factories. They have to go far in metropolitan cities like Pune, Mumbai and Bangalore etc.
Report:	<p>Department of Electronic and computer Science organized two days Intercollegiate workshop on 18 & 19 Mar. 2023 for UG students of M.S.G and J.E.T.Women's College Malegaon. As per schedule workshop was started at 10.30 AM on 18th March 2023 with Inaugural ceremony. The workshop was inaugurated by the auspicious hands of Hon. Principal Dr. S. N. Nikam. Introductory speech of the workshop was delivered by Dr. S.C. Kulkarni, Head dept. of Electronic science. Dr. Mudassar Shaikh, Director M.G.Tech solution, Ahmednagar was Chief guest and Speaker of this workshop. The programme was anchored by Prof. Pawan Suryawanshi. Prof. D.B. Sonawane introduced speaker. Ceremony was completed by vote of thanks and technical session was started. Dr. Mudassar Shaikh conducted the opening session of workshop at 11AM and delivered the expert talk on "Single board computers – Meet Raspberry Pi for IoT Applications". Prof. Avhale New Arts Commerce and Science College, Ahmednagar (Autonomous) started session at 12.30 P M on topic "components of Raspberry Pi, OS Installation, IDE, Operating system installation and basic setup".</p> <p>Hands on session started after lunch at 2PM in which Raspberry Pi boards with all accessories were given in group of 5 participants. All the participants were divided into six batches as per schedule. Using the knowledge of python programming and GPIO interfacing, students had done various hands on session like LED Switching,</p>

Controlling the status of LED using Switch, Brightness control of LED using Pulse Width Modulation (PWM). Hands on sessions were conducted by Dr. Mudassar Shaikh and Prof. Avhale. Session was lasted till 6.00PM

Day 2 i.e. 19th March 2023 started with a great zeal among the students to study more details of Raspberry Pi and its application in IoT. The first session on "Applications of Raspberry pi" was undertaken by Dr. Mudassar Shaikh at 10 AM. The second session was conducted on "understanding the programs for interfacing temperature sensor and light sensor" by Prof. Avhale. Hands on session started after lunch at 1.30PM.

At 4.30PM valedictory function was organized in which Principal Dr. S.N. Nikam was president. The day was ended well by taking participants feedback whereby students shared their experience of these two days and were very happy to gain knowledge in this domain. Participants also insisted to organize such kind of workshops. Formally feedbacks of participants were collected through Google Form. The participants were distributed certificates at the end.

MoU Activity Report

Report on Event

Date-16/09/2021

The most prestigious camp for a cadet in the NCC is RDC (REPUBLIC DAY CAMP). In reality, simply competing at the national level gives you authority & confidence. The cadets are chosen through a difficult selection process. The camp's cadets take part in a variety of events, including cultural competitions, the National Integration Awareness Program, and institutional training competitions. Numerous dignitaries, including the Vice President of India, the Chief Minister of Delhi, the Chiefs of the Army, Navy, and Air Force, as well as Raksha Mantri and Raksha Rajya Mantri, pay a visit to the camp. The Republic Day Camp's objectives are to strengthen the cadets' sense of self, developed deeper into their moral convictions, and expose them to the vibrant culture and customs of our country. The NCC cadets' ability to project their values and skills is essential. The camp represents "Mini India" in reflection. The selection process for RDC begins in August, and occasionally even earlier, and proceeds in stages. The RDC selection process is really difficult. Additionally, it differs from one directorate to the next or is determined by the contingent commander in charge of the RD camp (a colonel rank). First, a date is chosen for the selection to take place, and information is sent to all battalions, then to all schools and institutions. (Typically, it begins in mid-September or at the beginning of October.)

ANO of T.R.High School and Junior College, Dabhadi S/O Sumith Wagh was guided the cadets and discuss various questions on RDC of cadets. For this programme Captain R.A Pawar, Lt.B.B.Waghmare and all the SD and SW cadets were present.

Report on the Celebration of Drug Abuse and Illicit Trafficking Day

The celebration of Drug Abuse and Illicit Trafficking Day organized jointly by the Malegaon Camp Police Department and the NCC (National Cadet Corps) department of M.S.G. College. The event aimed to raise awareness about the negative impacts of drug abuse and illicit trafficking on individuals, families, and society as a whole.

Officers of the Police department were guided to the cadet's insights into the current trends, risks, and the legal consequences associated with drug abuse and illicit trafficking. The lectures were followed by interactive sessions, allowing attendees to seek clarification and guidance.

50 Cadets, Students, faculty members, police officers of police department were present for this programme.
