International Yoga Day

On 21st June 2019, the NCC cadets of M.S.G. College celebrated International Yoga Day. The event was organized by the NCC unit of the college and ANOs of Malegaon sector was aimed at promoting the practice of yoga among the cadets.

The celebration began with a yoga session in the morning which was led by an experienced yoga instructor Mr. Jadhav Sir. The cadets performed various yoga asanas and meditation exercises, under the guidance of the instructor, which helped them to relax and rejuvenate their minds and bodies. **The number of cadets participated -65 (M.S.G.College, Cadets)**

Summer Internship Programme at Vajirkhede

The summer internship program under Swachhata Abhiyan was a unique and fulfilling experience for us. The program was organized by the local municipal corporation and was aimed at promoting cleanliness and hygiene at Vajirkhede.

During the programme, we had the opportunity to work with a team of dedicated NCC cadets and people who were involved in various activities related to Swachhata Abhiyan. We were assigned to different locations at Vajirkhede, where we worked towards cleaning and beautifying the surroundings.

One of the main activities that we were involved in was the cleaning of public places such as temples, streets, and markets. We collected and segregated the waste and disposed of it in a responsible manner. **The number of cadet's participated-30**

Inauguration of pollution awareness Pakhawada by taking pledge

The inauguration of the Mega Pollution Awareness Pakhawada was a significant event aimed at raising awareness about environmental pollution and promoting measures to reduce it. The event began with the taking of a pledge by the cadets to work towards reducing pollution and protecting the environment.

The pledge was taken by a group of NCC cadets including ANOs of Malegaon sector. The participants were asked to stand up and raise their right hands as they recited the pledge, which was led by Captain R.A. Pawar.

The pledge included a commitment to take measures to reduce pollution in the environment, such as conserving energy, reducing waste, using eco-friendly products, and promoting sustainable living practices. The participants also pledged to spread awareness about environmental pollution and its impact on human health and the ecosystem.

After the pledge-taking ceremony, a series of events were organized as a part of the Pakhawada to promote environmental awareness and encourage the adoption of eco-friendly practices. These events included awareness campaigns, poster-making competitions, and tree-planting drives, etc.

The participants were also encouraged to take up individual initiatives to reduce pollution, such as using public transportation, conserving water and electricity, and recycling waste.

The number of cadets participated -70 (M.S.G.College, cadets)

Workshop on Plastic Recycling

A workshop on plastic recycling was conducted by ANOs for the NCC cadets under the Megha Pollution Pakhwada scheme aimed at promoting the recycling of plastic waste and reducing its harmful impact on the environment. The workshop was attended by NCC cadets and ANOs.

The workshop began with an introduction to the concept of plastic recycling and its benefits. The participants were then shown a demonstration of the process of plastic recycling, from the collection of plastic waste to the conversion into new products. The cadets explained the different types of plastic and their recyclability, as well as the challenges involved in the recycling process.

The participants were also taught about the various ways in which plastic waste can be reduced and recycled, such as the use of biodegradable alternatives, reusing plastic products, and segregating plastic waste for recycling. The workshop also highlighted the importance of creating awareness about the harmful impact of plastic waste on the environment and encouraging people to take responsibility for their waste.

Lecture on How to minimize Plastic Pollution

A lecture on "How to minimize plastic pollution" was conducted by ANOs under the Megha Pollution Pakhwada scheme aimed at raising awareness about plastic pollution and its impact on the environment. The lecture was held in collaboration with schools of the Malegaon sector and was attended by cadets and ANOs.

The lecture was delivered by Lt.B.B.Waghmare who provided valuable insights into the harmful effects of plastic pollution and the measures that can be taken to reduce it. She highlighted the importance of reducing plastic waste by promoting the use of biodegradable alternatives and encouraging cadets to reuse plastic products wherever possible. The lecture also emphasized the role of individuals in minimizing plastic pollution by segregating plastic waste for recycling and adopting sustainable practices in daily life.

The lecture concluded with a Q&A session where the cadets had the opportunity to clarify their doubts and seek advice on how they can contribute towards reducing plastic pollution in their communities. **The number of cadets participated -60**

Nukkad-nataks on awareness of pollution

A nukkad-natak was performed by NCC cadets under the Megha Pollution Pakhwada scheme aimed at raising awareness about the importance of cleanliness and hygiene. The plays depicted various scenarios where people littered and polluted their surroundings and the harmful consequences of such actions. The nukkad-natak also highlighted the importance of cleanliness and hygiene and promoted the use of dustbins and other waste management practices.

The nukkad-natak was well-received by the local community, with many people stopping to watch the performance and appreciating the efforts of the NCC cadets in promoting the cause of cleanliness and hygiene. The play was followed by a Q&A session where the participants had the opportunity to clarify their doubts and seek advice on waste management practices.

The nukkad-natak was a successful initiative in promoting awareness about the importance of cleanliness and hygiene and encouraging people to take responsibility for their waste. Speech on "What can I do to clean my city"

As part of the Swachhata Pakhwada Scheme, a lecture was organized for NCC cadets on "What can I do to clean my city." The lecture was delivered by Lt. B.B. Waghmare, an ANO. The aim of the lecture was to sensitize the cadets about the impact of pollution on human health and the environment and motivate them to take action to make their city clean and green.

The lecture was held at the M.S.G College and attended by NCC cadets from different schools and colleges. Lt. B.B. Waghmare started the lecture by explaining the various causes of pollution and its adverse effects on human health and the environment. She stressed the need for individual responsibility in keeping the city clean and green and highlighted the role of NCC cadets in creating awareness and taking action.

Lt. B.B. Waghmare suggested various practical steps that the cadets could take to clean their city, such as organizing cleanliness drives, spreading awareness, promoting eco-friendly products, planting trees, collecting and disposing of waste responsibly, and avoiding single-use plastics. She also emphasized the importance of collaboration between the government, citizens, and private organizations to create a cleaner and greener city.

The lecture was interactive, and the cadets actively participated by asking questions and sharing their ideas. Lt. B.B. Waghmare encouraged the cadets to take action and become ambassadors of change in their community.

Speech and demonstration on Hand wash day

S.O. Smith Wagh of Dhabhadi High School, Dhahiri delivered an informative lecture on the importance of hand washing to the NCC cadets. He explained the benefits of hand washing, the correct technique to wash hands, and the ideal times to wash hands. He also discussed the different types of soap and the need to use soap while washing hands. Pawar Sir emphasized that hand washing is essential to prevent the spread of diseases and maintain good health.

After the lecture, S.O. Smith Wagh demonstrated the correct technique of hand washing to the cadets. He explained the six steps of hand washing - wetting the hands, applying soap, rubbing the hands together for at least 20 seconds, rinsing the hands thoroughly, drying the hands with a clean towel, and turning off the tap. He also emphasized the need to wash hands before and after eating, after using the toilet, and after touching any surfaces in public places.

National Cadets Corps

Activity Report

Republic Day

Republic Day is celebrated every year in India on 26th January to commemorate the adoption of the Constitution of India. The NCC department in a college celebrated Republic Day with great enthusiasm and patriotism. The celebration started with the hoisting of the national flag by the college principal, followed by the national anthem. The NCC cadets then performed a parade, showcasing their discipline and coordination.

Under the guidance of Capt. R.A. Pawar and Lt. B.B. Waghmare, NCC the cadets were performed the Republic Day parade. **The number of cadet's participated-100**

**Observation of platoon by the
Prin.Dr.D.F.Shirude**
