College Malegaon Camp
Department of Electronic Science

**“Online Lecture series”
Report (A.Y.2021-22)**

The Department of Electronic Science, M.S.G. College, Malegaon camp had organized Three days online lecture series in the subject of Electronic Science for the B.Sc. students during the academic 2021-2022. The main purpose of the lecture series was to explore the students to the vast growing field of Electronics, recent trends in various technologies in electronics communication and Information technology. It is also aimed that this lecture series help the students to acquire up-to-date knowledge regarding modern trends in electronics.

National-level webinar on “Introduction to Robotics and Programming PUMA robot”

Report

M.G. Vidyamandir's
M.S.G. Arts, Science and Commerce College
Malegaon Camp, Dist- Nashik (M.S.), India
DEPT. OF ELECTRONIC SCIENCE
Academic Year 2021-22

REPORT OF NATIONAL-LEVEL WEBINAR

The Dept. of Electronic Science, Internal Quality Assurance Cell (IQAC) and MGCV's board of studies (BOS) in Electronic Science jointly organized a national-level webinar on “**Introduction to Robotics and Programming PUMA robot**” on 18th February, 2022. Around 100 participants from various institutes all over India actively participated in this webinar. The lecture was delivered by Dr. Anjali Kulkarni (Principal Research Engineer, Centre for Mechatronics, IIT Kanpur). She also demonstrated on PUMA robot. After the lecture there was a question-answer session. Prin. Dr. Arun V. Patil (Dean MGCV's Faculty of Science & Vocational Education) and Prin. C.G. Dighavkar (Chairman, MGCV's BOS in Electronic Science) were the chief guests for this event. Dr. D.F. Shirude (Principal, M.S.G. Arts, Science and Commerce College, Malegaon) presided over the programme. In the beginning of event, Dr. S.C. Kulkarni (Head, Dept. of Electronic Science) delivered an introductory speech. She threw the light on aims and objectives behind the conduct of such event. She also introduced the resource person Dr. Anjali Kulkarni to the audience. Dr. D. K. Halwar anchored the event. Lastly, Miss V.T. Salunke expressed the vote of thanks.

Three Days Workshop on IoT and Robotics

Report

M.G. Vidyamandir's

M.S.G. Arts, Science and Commerce College Malegaon Camp

Dept. of Electronic Science

Report on Three Days Hands-on Workshop

(24 to 26 March 2022)

Dept. of Electronic Science had organized a 3-Days Hands-on Training Workshop for the FY. /SY. /T.Y.B.Sc students of all subjects from during 24-26 March, 2022. The workshop was organized in association with '**Ray Robotics Pvt. Ltd, Nashik**'. The number of student participants was 77. Mr. Sagar Patil (Director, Ray Robotics Pvt. Ltd, Nashik) and his colleagues conducted the hands-on training on '**Robotics and IoT**'. The outcome of this workshop was very fruitful. The students got a very good practical knowledge on the design of hardware and development of software required for the construction of Robots. The Obstacle Avoider Robot, Line Follower Robot were designed and constructed by the student in this workshop.

This workshop was inaugurated by the auspicious hands of Hon. Principal Dr. D. F. Shirude sir. Dr. C. M. Nikam (Vice Principal) was the chief guest for inaugural function.

On the last day of workshop, a valedictory function was organized in the afternoon. The certificates of participation were distributed to all the participants by the hands of Prin. Dr. D. F. Shirude, Dr. C.M. Nikam, Dr. M.S. Bhandari (NAAC coordinator) and Prof. Saeed Ansari (IQAC coordinator). A few students expressed their views regarding their experience during the workshop. Dr. Smt. S. C. Kulkarni (HOD, Electronic Science), Dr. D. K. Halwar, Prof. Miss. V.T. Salunke, and Dr. H. P. Suryawanshi took efforts for the success of this workshop.

Report of One Day Webinar

"Information and Communication Technology (ICT) Program"

2nd Jan 2022

(In collaboration with Department of Chemistry, MSG College, Malegaon Camp)

Education is an area where open access resources, online courses, virtual classrooms & social networks are based on Information & Communication Technology (ICT) are being increasingly used to give learners access to information, promote interaction & communication, and enhance digital literacy skills. There were two sessions on 02/01/2022. The First Session was by Prof. D. J. Deore Head Department of Computer Science on the Topic "Information Communication Technology Learning The Need of the Hour". It was followed by the Question & Answer Session.

The second speaker was Dr. T. S. Savale, Convener of the webinar. His topic was "ICT in support of Chemistry subject followed by a Question & Answer round.

Vote of thanks done by Co-convener Mr. K. T. Padhyar Sir, students of the chemistry department took advantage of this program.

Report of Guest Lecture
on “Scope and Software Requirement after MA”

Department of Computer Science and Urdu, MSG College organized a Guest lecture on the topic “Scope and Software Requirement after MA” for the MA-II (Urdu) students on 18th October 2022.

Dr. N. B. Bachhav, College Academic Supervisor was the chief guest. Students of MA-II Urdu were invited for the lecture. Prof. Saeed Ansari (IQAC), Dr. Sajid Ansari (HOD-Urdu & Persian), Dr. Ayaz Shah was present for the program. Dr. Sajid Ansari explained the aims and objectives of the program. Guests were welcomed by Dr. Shahina Siddiqui.

The Guest Speaker for the session was Dr. Imtiyaz Ansari who is currently designated as the Assistant Professor in the Computer Department. He has over 23 years of educational experience in Computer Science in MSG College, Malegaon Camp.

The aim of the guest lecture was to equip students with the latest Software and Android Applications knowledge required to get jobs after completing their degree. The Speaker explained the **career opportunities with Software skills required** in the field of Journalism, Education, Content Writing, Script Translation, Competitive Exam etc. after completing a MA Degree.

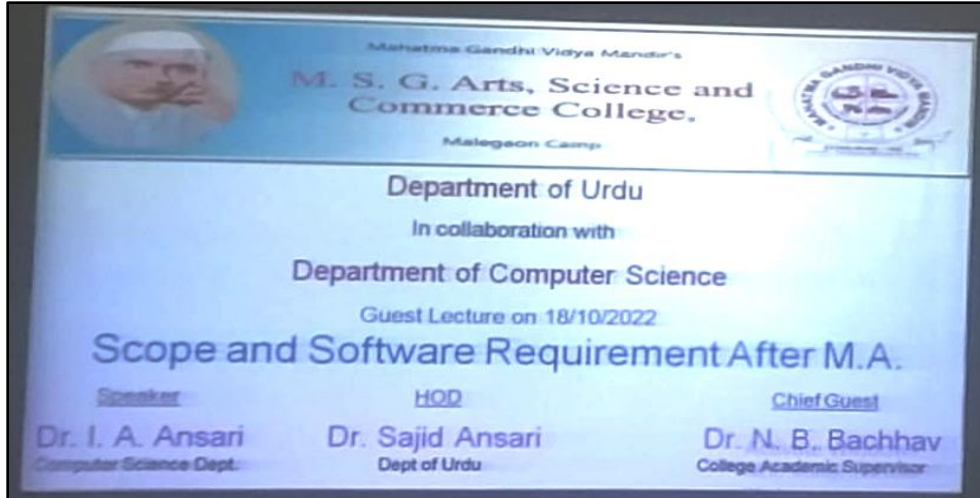

After his lecture the students were given time to interact with the speaker. Students acknowledged that the session was more informative, practical-based and interactive. At the end of the guest lecture, two students gave their feedback and explained how they benefited.

It was a very informative and interactive session where students came to know about their career choices and digital skills required for getting a job.

At the end, Dr. Ayaz Shah greeted everyone, especially The Principal Dr. D. F. Shirude, Vice Principal Dr. C. M. Nikam, Dr. N. B. Bachhav, HOD of computer science Mr. D. J. Deore, Dr. Saeed Ansari, Dr. Imtiyaz Ansari and all others who were present and contributed for the program to be successful.

Report of ICT Based Advance Learning Workshop held on 29-Dec-2021

The Department of Computer Science in collaboration with the Economics department has organized a one-day workshop to impart the knowledge of ICT based advance learning to the PG & UG students of Economics. The workshop is inaugurated by Principal Dr. D. F. Shirude sir. In the inaugural speech Dr. M. V. Hiray Sir (HOD Economics department) had explained the purpose of the workshop to the audience. Dr. B. M. Sonawane and other faculty members were present in the program. Prof. D. J. Deore (HOD Computer Science) had guided the students on the growing importance of information technology. Dr. Intiyaz Ansari provided the details of MS office applications (MS Word, MS Excel, Power Point). Students got hands-on practice on MS office applications.

In the second session of the workshop, Dr. Amit Kasliwal guided the students on how to use computers for research work in economics and how to prepare them for using S.P.S. software to analyze statistical data with the help of computers.

In the last practical session of the workshop, Computer Science Prof. N. R. Mali gave detailed information on how to use various Economic and financial websites and demonstrated to the students how to access various websites from computers. Mali sir solved the problems faced by students while doing practical's.

48 students of the PG and UG class of economics participated in this workshop. The students expressed their satisfaction with the knowledge gained in this workshop. a vote of thanks was given by Dr. R. K. Jadhav.

Report of ICT Training Program

A Training Program on ICT “**Python Programming**” was organized on date: 31.10.2022 by the Dept of Mathematics with the help of Dept. of Computer Science within time 1:00 pm to 4:00 pm.

This Training Program was inaugurated by Vice Principal Dr.T. S. Savale, In the beginning of the Training Program Prof.P.A.Ahire, Head, Dept of Mathematics said that Mathematics is base of Computer Science and everything is depends on Mathematics in Computer and Programming. After that Mr.S.A.Kale given introduction of Speakers Prof.D.J.Deore (Resource Person & Head, Dept of Comp.Sci.) and Dr. Shirsath N.B. (Resource Person).

The invited speaker Prof.D.J.Deore (Resource Person) give brief lecture on “**Python Programming**”, which include all topics related with Python Programing given in Curriculum of B.Sc. & M.Sc. classes. After that question and interaction session conducted, after that Dr. Shirsath give hands-on Training on in Computer Lab. In The Training Program total 60 students were participated.

All Faculties take efforts to conduct this Training Program & was ended by Vote of Thanks given by Dr.K.S.Ahire.

ICT TEACHING REPORT

All faculty of the Department of Physics use different ICT-enabled teaching methods for conducting different U.G and P.G classes.

Dr. A. S. Garde conducted online lectures on various topics like Experimental Techniques in Physics, Thin Film Deposition Technique, and Research Methodology. Mr. C. R. Yewale also conducted lectures through PowerPoint presentations on various topics like spectroscopy, molecular spectroscopy, etc. Mr. S. S. Mandawade delivered various online lectures on mathematical methods in physics.

Dr. K. S. Thakare delivered various online lectures on the introduction of astronomy. Miss. Firdaus Ara delivered various online lectures on Nuclear Physics.

Program Report

Date:

Mahatma Gandhi Vidya Mandir's, Maharaja Sayajirao Gaikwad College of Arts Science and Commerce Malegaon Camp, Dist. Nashik, Department of Chemistry, Conducted A one-day workshop on ICT tools for the students of M.Sc. Chemistry dated 2nd Jan. 2022. The resource person for this webinar was Prof. Dipak Devore from Department of Computer Science, M.S.G. College Malegaon Camp who guided on the topic " Information and Communication Technology " and he gave detailed guidance regarding computer techniques in chemistry. The webinar was chaired by the principal of the college Dr. Dinesh Shirude, the coordinator Dr. Nandkishor B. Shirsath and Convener Dr. T. S. Savale. The vote of thanks done by Co-convener Mr. K. T. Padhyar, students of the college and Department took advantage of this program by attending in large numbers.

Computerized Automated Blood Analyzer

It is used to check blood parameters. At a time 26 parameters obtained. Its major use to check girl students blood haemoglobin as a best practice of the department. It is very useful to Ph.D. Students for their students. More than 300 samples were checked. It is purchased under DST-FIST.

Caliper Plus Camera Software & Magnum Camera Software

Its installed-on computer & connected to Trinocular Microscope. It gives image as well as measurements of microscopic objects & counting of selected cell in focussed. It's used by all PG & Research Students.

P.G Department of Botany

Report on ICT Based Lectures & Practical's

The P.G Department of Botany is one of the well-equipped and highly student centric department in the college. The teaching and non-teaching staff is with good communication skill and always busy in the development and welfare of students. The teaching staffs is experienced and able to handle electronic gazettes and conducts lectures and practicals. As per syllabus various practicals and lectures need to be conduct on ICT. Before the pandemic of Covid 19 it was regular routine and schedule for staff. Courses were taught through PPT presentation and few other methods. But in the pandemic lecture and practical courses were taught online. New skills were learnt by faculties for handling of online sessions. Zoom, Google Meet, You tube live, Google Classroom are new platforms for teaching and learning methods. Courses were taught by every faculty on these platforms. Now the department is on regular offline mode and the use of ICT is increased and will be enhanced in upcoming days.

The students are also familiar with the operating systems of Zoom, Google Meet, You tube and PPT making.

DELNET Database System

DELNET-Developing Library Network, New Delhi is a major resource sharing library Network in India connecting more than 7700 institutions in 33 states in India and few other countries comprising of Universities, Colleges, R&D organizations, medical hospitals, etc. DELNET is devoted to the Modernization & Networking of Libraries. It was registered as a Society on June 30, 1992.

The Main Objectives of DELNET are

- To promote sharing of resources among the libraries by developing a network of libraries, by collecting, storing and disseminating information and by offering computerised services to the users.
- To undertake scientific research in the area of Information Science and Technology, create new systems in the field, apply the results of research and publish them.
- To facilitate and promote delivery of documents manually or mechanically.
